Here is what a structured night at TeamKID would like for you child during the summer each Wednesday night they come...

A TeamKID meeting has six parts with each one flowing into the next to keep the pace moving with non-stop energy:

1. CHECK IN
2. WARM-UP is the opening activity that begins as soon as the first child arrives at TeamKID.
3. WORKOUT includes energized, interactive Bible study as children hear or experience a Bible story, learn the meaning of a Bible verse, apply Bible truths to their lives, sing, and pray.
4. REACH OUT uses either the missions DVD, missions activities, or mission action projects to teach children about missions around the world.
5. STRETCHING is when children work on learning the memory verse
6. THE TOURNAMENT is a time to run, play, and laugh with fun games and activities that reinforce the Bible study.
7. COOL DOWN is the final few minutes of the meeting and includes refreshments and a review of what children have learned.
